Garrison Keillor was scheduled to be part of next Tuesday's season finale of PBS' "Finding Your Roots With **Henry Louis Gates Jr.**," as part of a "Funny Business" episode that also spotlights **Amy Schumer** and **Aziz Ansari**. But in light of allegations of inappropriate behavior toward a co-worker at "Prairie Home Companion," Keillor's segment is being removed. A repeat featuring **Maya Rudolph** will air in its place (7 p.m. Tuesday, TPT, Ch. 2). **Kate Kelly**, spokesperson for WETA, which produces the show, said officials for the station and PBS "felt that Keillor's inclusion ... would distract from the series' purpose of exploring genealogy and ancestry."
