

ISLAND 'PRAIRIE'

Garrison Kellor and the rest of the "Prairie Home Companion" folks are flying to Edinburgh, Scotland, on Feb. 23. They'll broadcast from there on the 26th, and then from Dublin, Ireland, March 4. Both shows will be performed at 11 p.m., Celtic time, so they can be heard here in the Midwest at the show's usual 5 p.m. "PHC" spokeswoman Tiffany Hansson says the Scots and the Irish not only get the show, they "get" it. It's available in the British Isles via the World Radio Network and NPR Worldwide, and Hansen says the response to the upcoming visit has been overwhelming. *(N.H.)*
