

Meet Garrison Keillor

Meet "A Prairie Home Companion" show writer and host Garrison Keillor during a 5:30 p.m. Oct. 17 reception at the Washington Pavilion, before his evening show there. There are 50 special tickets available at \$125. Light appetizers and cocktails will be served.

Regular tickets to the 7 p.m. show are \$32, \$46 and \$59 at the box office or at www.washingtonpavilion.org.

The radio show is in the news lately, too.

The Minnesota Public Radio show is referenced in the cover story of the Sept. 27 issue of *Sports Illustrated*. The article, "Prairie Homer Companion," focuses on the Minnesota Twins as they close in on the American League Central Division title.
