

## Performance to benefit school slated Friday

Garrison Keillor and Bob Douglas of the "Prairie Home Companion" show on Minnesota Public Radio stations will perform a benefit concert for Riverhaven School at 8 p.m. Friday at Winona State University.

Keillor and Douglas, leader of the "Powdermilk Biscuit Band" on Keillor's radio show, mix music with humor, the latter often dealing with the residents of Lake Wobegone, a mythical community invented by Keillor.

Keillor's last Winona appearance was in the spring on 1976 when he gave performances at St. Mary's College and Winona State University. The Friday night show will be in WSU's Somsen Auditorium, West Sanborn and Johnson streets.

Tickets for the show are available at several downtown outlets, the three colleges and from Riverhaven School, 102 Walnut St.
