## Caroline on his mind

That **James Taylor** knows how to give a gift. At Tanglewood on Saturday to perform with "Prairie Home Companion" host **Garrison Keillor**, Taylor hosted a birthday celebration for his wife, **Caroline "Kim" Taylor**, that included christening her own boat. Keillor did the naming honors on the lawn at Tanglewood's Koussevitzky Music Shed several hours before the concert. The Caroline is now headed to Vermont's Lake Champlain.
