

Second Keillor show added at PAC

Tickets will go on sale at 10 a.m. Friday for an off-the-air show March 28 with Garrison Keillor, whose live broadcast that same day in downtown Appleton already is sold out.

The Fox Cities Performing Arts Center added the non-broadcast show to its lineup due to the popularity of Keillor and his American Public Media hit, "A Prairie Home Companion,"

which will broadcast live from the PAC earlier that day.

The non-broadcast event will begin at 8:30 p.m. Tickets start at \$35. There is an eight-ticket limit.

To purchase tickets, call the PAC's box office at 920-730-3760, or Ticketmaster, 920-731-5000 in the Fox Cities and 920-494-1414 in Green Bay. The PAC is online at www.foxcitiespac.com.
