join humorist Garrison Keillor for a live broadcast from the Concord Pavilion of "A Prairie Home Companion" on Saturday. The broadcast will benefit KQED-FM, on which the program is heard every Saturday at 6 p.m. The show will also feature music by the Turtle Island String Quartet, as well as comedy by the Prairie Home Companion regulars, sound effects by Tom Keith and musical underscoring by Rich Dworsky. Tune in, drop by, or whatever Mr. Natural's pals used to say in the '60s.
