

## Garrison Keillor at Books & Co.

Anyone itching to hear stories told as they're meant to be told might want to stop by Books & Co. Tuesday afternoon for an earful of the master, live and in the flesh.

**Keillor**

Garrison Keillor is making the rounds of America's bookstores in support of *Wobegon Boy*, his newest novel, about a Lake Wobegon bachelor who leaves for a public radio job in upstate New York.

Keillor's appearance is scheduled from noon to 4 p.m. at the store, in Town & Country Shopping Center, 350 E. Stroop Road, Kettering. He'll be the tall one in the middle.
